Welcome to the worship of God this morning, and to our shared life in this church. It is a pleasure to have you with us today. Seat cushions are available at the back of the sanctuary. Please ask a greeter for help. We invite guests to sign our guest book located at the back of the sanctuary.

NURSERY

Volunteers are required for the nursery, to supervise on a rotating team basis. If you think you might like to offer ministry to our younger folk in this way, please feel free to contact Sandra Dewsberry at telephone 475-7239.

Thank you in advance.

STEWARDSHIP MOMENT

How can you use the gifts God has given you - time, talent and treasure — to participate in God's mission?

I believe with all of my heart that God's people possess God's provision to accomplish and fulfill God's purposes in the world.

Note the new date and time!

From Rev. Joyce...

Today's note is all about what is coming up next weekend.

For starters, Flipper Flanagan is here Friday October 23rd to present a concert, from which the proceeds go to St. Andrew's. The more tickets we sell, the more profit we can bring in. Once we hit 200 tickets sold then 90% of each ticket sale goes directly to the church. There is a possible income of \$2150 should we sell 300 tickets. How is my sales pitch working so far?!

This is a fundraiser in which everyone can help. All you need do is buy a ticket and you get a great evening of entertainment for \$10 (advance tickets). Even better - invite some friends to join you! So that covers Friday evening.

Now Sunday evening! We are holding a special service of thanksgiving and rededication of the sanctuary on Oct 25th at 7:00 p.m.. Rev. Harold Hunt, Rev. Susan Mattinson, Ken Haggerty, and I will be leading the worship service together. The Presbytery of Superior gifted St. Andrew's with \$80,000.00 in our time of need; to say thank you, the congregations have been invited to join us on that evening. There are members from each of the Presbyterian church choirs also gathering together with the St. Andrew's choir to share in the music leadership and perform special music. Sean Kim is going to be back with us as organist and to perform a special piece showcasing our amazing heritage organ.

Special invitations have gone out to the congregations of St. Paul's Anglican, St. Patrick's R.C., and First-Wesley United as our closest neighbours who also supported us during our time of need.

Invitations are also going out to business and community partners who were instrumental in the work of restoring the sanctuary, many of whom continue to work alongside us as we continue the work of restoring the church.

So Come! Join together as we welcome friends and neighbours in celebrating our journey of

Restoring! Renewing! Rejoicing!

A sincere thank you to all who donated to our new student friends from India. Except for **beds, bedding, and winter clothing**, they are now set up, and offer thanks.

PRESBYTERIANS SHARING... Presbyterians

Called to be stewards

With support from *Presbyterians Sharing*, the Stewards by Design conference helps congregations think about their mission and ministry and find the resources needed to do what God is calling them to do. Participants explore the concept of stewardship as not just a financial matter, but also a spiritual matter concerned with all aspects of life.

Led by Dr. Kennon Callahan, the conference helps congregations expand and strengthen their mission and ministry, make generous giving an ongoing, joyful congregational experience, and develop a concrete plan that suits their unique needs. The application deadline for the April 2016 conference is November 2, 2015.

SUKKOT

Sukkot is a biblical holiday marked by pilgrimages for fellowship and worship. The Hebrew word 'Sukkah' describes a fragile structure, symbolic of the temporary dwellings of the Israelites after their Exodus from Egypt.

Our Sukkah reminds us of God's gifts to us and all for which we are thankful.

In the spirit of thanks, please generously support the Food Bank during the month of October.
