An international presence of peace

Presbyterians Sharing recently supported Diane Tait-Katerberg and the Rev. Gordon Timbers for three months as they participated in the Ecumenical Accompaniment Program in Palestine and Israel (EAPPI), a program of the World Council of Churches. EAPPI is supporting both Israelis and Palestinians who are affected by the occupation, violence and human rights abuses. An international presence of peace advocates helps diffuse tense situations and encourages both Israelis and Palestinians working together for peace and human dignity. To date, six Presbyterians have served with the EAPPI in different placements. Please pray for those who work for peace in Palestine and Israel.

Regarding the offering...

Sunday worship will be taking place at First-Wesley throughout July, offerings specified for St. Andrew's will be coming back to St. Andrew's. So if you use offering envelopes continue to use them and your offering will go toward sustaining the work of St. Andrew's. If you give by PAR or EFT that continues as usual. Offerings by electronic bank transfer also a great way all year long to ensure that even if you can't make it to church the ministry of St. Andrew's is sustained through your offerings. If you would like envelopes, or to inquire about automatic bank transfers, please contact Lori in the office for more Information.

From Rev. Joyce

Next week we move to First-Wesley United Church down Brodie St. to participate in joint services for the summer. As most of you know we will meet there in July with First-Wesley reciprocating in August. I think I can speak for Rev. Hewitt Holmes when I say that we are approaching summer worship as though we are one congregation. That means that though we are guests in one sense, the hope is that for the summer we will see ourselves as people joined together, even if it is only for a time. We certainly have looked at our preparations as working in a type of team ministry for the summer.

We will also have the opportunity to partake of communion twice this summer – July 3rd at First-Wesley and August 21st at St. Andrew's. For the month of July our scripture focus will be on the Psalms. Worshiping in another setting is a wonderful opportunity to experience God in new ways, and through our Christian neighbors. If you would like to participate directly at First-Wesley through greeting or reading please let me know as soon as possible.

I am with you the whole month of July at First-Wesley. Then Ken and I head to Alberta for the first two weeks of August to attend Ken's high school reunion and the 100th anniversary of our hometown celebrations. Of course, much of our family is there, so there will be a whole lot of visiting going on. We are traveling with our 5th wheel holiday trailer which will help us get the much needed down time that space provides.

This is my last newsletter note for the summer. I pray that each of you will be well and that you will find the summer to be a time of rest and renewal for your body, mind, and spirit. See you at First-Wesley!
