Farming for the Future in Tanzania

Last year in Kishapu, one of the driest areas of Tanzania, the arid climate and unpredictability of rainfall left many farmers in dismay. Common crops didn't survive. "We're willing to try anything that will make us more food secure," shared one farmer from the region. The Presbyterian World Service & Development-supported food security project in Kishapu provided farmers with weather-resilient, nutritious seed as well as training in conservation agriculture. Through conservation agriculture—a low-input farming method that helps soil retain moisture—their crops flourished despite the prolonged drought. The farmers continue to apply the methods they learned. By combining resilient seed with soil-friendly farming, they are laying the foundations of a more sustainable future.

From Rev. Joyce,

As summer approaches I want to give thanks for the many people that participate in the life and work of the church through groups: Session, Facilities & Finance, St. Andrew's Choir, St. Aiden's, The Evening Guild, The Seekers, Mission & Outreach, Faith Education team, Leading with Care team, Caring & Contact, Lunch with a Difference, The Prayer Shawl ministry, the Hogarth Riverview Worship team, Core Group, Restoration Fund Raising Team, Parish Health Team, Heritage Committee, The Offering Counting Teams, the Visiting Team, Worship Resource Team, Worship Committee, not really a formal team but also want to thank the people who prepare for Communion Sundays, and this year we also had the Dinner/Auction Team. This church cannot do the work it does without you! We give thanks for your dedication, energy, willingness, and faithfulness. May you experience the rest and renewal that summer in Thunder Bay can bring.

IT'S GRADUATION TIME!

It is graduation time again and the Caring and Contact group would like to recognize graduates by sending congratulatory notes. If you are aware of anyone who is graduating or has graduated from high school, college or university this year, please let the church know by Sunday, June 26th.

PRES-B SUMMER CAMP!

Pres-B-Camp is a week-long overnight summer camp for those entering grades 3 - 8 in the fall 2016. This year, camp will be held on July 17-23. There will also be a week long Senior Camp on August 14-20 for those entering grade 9 and up. When you bring a friend we will offer 50% off the cost of both registrations.

Application forms are available in the main office, or the church website.

Regarding the offering...

Sunday worship will be taking place at First-Wesley throughout July, offerings specified for St. Andrew's will be coming back to St. Andrew's. So if you use offering envelopes continue to use them and your offering will go toward sustaining the work of St. Andrew's. If you give by PAR or EFT that continues as usual. Offerings by electronic bank transfer also a great way all year long to ensure that even if you can't make it to church the ministry of St. Andrew's is sustained through your offerings. If you would like envelopes, or to inquire about automatic bank transfers, please contact Lori in the office for more information.

LOOKING FOR VOLUNTEERS...

We are looking for Volunteers to help out during the week of June 20th to June 25th, and June 27th to June 29th.

Conservatory Canada will be holding exams in our Sanctuary and we are requesting volunteers to help answer the door in the afternoons.

Please contact Kaitlin in the office if you wish to sign up as a volunteer.

PLASTIC BAGS...

If you have any plastic milk bags (outer bag) please save them and bring them into the church for the Girl Guides who will be making mats with them.
