PRESBYTERIAN SHARING

Equipping church leaders

The Presbyterian Church in Canada equips and nurtures future church leaders who will in turn equip and nurture others to witness faithfully in the world. Our theological colleges provide a strong academic and practical foundation to prepare students for ministry. Ministry and Church Vocations supports ministry candidates and their presbyteries as they discern the candidate's call. Together we encourage and support new clergy who have just begun their ministries. Let us pray for our theological students as they work to become faithful leaders in our churches and for all who inspire them.

SHE GOT A TURKEY!

St. Andrew's Annual Bowling day was held last Sunday and everyone had a terrific time, particularly Yeju Cho who not only received the high score of the day at 206 but also got three strikes in a row earning her a much coveted turkey pin! Way to go, Yeju!!

From Rev. Joyce,

The Presbyterian Church in Canada has often been understood to have a Scottish and even Irish flavor, but over the decades the heritage of those sitting in the pews has changed considerably. At one General Assembly of the PCC in Edmonton a few years back, I was asked if I would second one of the opening motions, to which I agreed. The moderator, who had not met me, tried to say my last name and stumbling over it, looked at the Clerk of Assembly and, through the mic, said, "What kind of an Irish name is that?!" The church has changed and we welcome and enjoy the fellowship of many people from around the globe.

GROUP FINANCIAL BOOKS NEEDED!

All groups need to hand in their 2016 financial books as soon as possible for year end review.

February 12th is designated by the PCC as Heritage Sunday. It also happens to be the day of our annual meeting and a coffee hour. So, I invite you to celebrate your heritage with us and the richness that brings to our congregation. If you have something you can add to our worship either through prayer, song, or an item to decorate the sanctuary that would be awesome. Just touch base with me so we can arrange it. If you have traditional clothing, please wear it that day. Or if you have food to share that can help us to enjoy the taste of your heritage, the Evening Guild will be happy to have that as part of the food that day. We are God's wonderful creation. Let's celebrate.

WINTER FUN DAYS

Every Sunday from Jan 1-Mar 19, Winter Fun Days is being celebrated at Prince Arthur's Landing. This Sunday Boreal Journeys Sled Dog Kennel will be offering scenic dogsled rides from 12-4pm. Next Sunday, January 29th, you can try a traditional Scandinavian mode of transportation...kicksledding!

Come down and have some fun in the snow!

WHEN IN HOSPITAL

When visiting at the Regional Hospital, Rev. Joyce only has access to the list of patients that have designated St. Andrew's Presbyterian Church as their church.

In order to receive a visit, please have a family member or friend notify the church that you are in hospital and would appreciate a visit.

There are pictures of new members of our church family on the Heritage Wall along with scenes from the nursery—the next step along the way.

STEWARDSHIP MOMENTS

Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough.
