PRESBYTERIAN SHARING

Administering change

Gifts to *Presbyterians Sharing* help administer the Avondbloem Fund, established by George and Evelyn van Beek in 1981. This legacy gift supports practical, creative PCC projects that spread the message of Christ. The Raw Carrot Soup Enterprise, a ministry of Paris Presbyterian Church, received a grant to help grow its innovative work. Staff members—who are on social assistance or living with barriers to traditional employment—prepare healthy, homemade soups and stews that are sold in the Paris community and beyond. Proceeds from the sales provide their salaries. Currently, eight people are employed—and two more Raw Carrots will be opening in the next year! This initiative builds self-confidence, provides job training and job creation—a living example of Christ's message of love and hope.

Presbyterians Sharing supports dreams as they are turned into reality

From Rev. Joyce,

Great is thy faithfulness; great is thy faithfulness;
morning by morning new mercies I see;
all I have needed thy hand hath provided;
great is thy faithfulness, Lord, unto me.

I have been pondering all the ways in which God has shown provision in and for this church of late. Now I know God has been providing for this congregation for all its long history or it would not have been built nor sustained over its 108-year history, but my thoughts are on the last four years, in my time sharing with all of you in ministry. I have been amazed at the gifts of time, energy, wisdom, people, and finances that have made so many things possible. As minister, I have a view of the whole that not many people get to see. I think back to the ceiling collapse and the people in the community who came forward, FORM architecture with their expertise, the lawyer Edward Kim without whose help we would never have received the money from the insurance company. Gordon Cuthbertson, our project manager, with all the experience he brings in mechanical engineering, building construction, and management, even the city's Heritage Advisory Committee brought expertise, wisdom, and help and continues to guide us and be interested in our work here. I will continue to share about this in the coming weeks, as the ways God has provided is too great to be able to contain it one short column. All we have needed God's hand has provided and continues to provide. God is with us. God is at work in this beautiful place in you the beautiful people. Thanks be to God.
