PRESBYTERIAN SHARING

Take the Advent Challenge!

During the Advent season, we celebrate God's amazing gift—Jesus! This gift changed the world. Inspired by God's overwhelming generosity, we too work to make a difference for our sisters and brothers across the globe. Each week of Advent, Presbyterian World Service & Development challenges individuals and congregations to share the gifts of hope, peace, joy and love with those living in some of the most vulnerable communities in the world. In the midst of poverty, injustice and disaster, the Christ light shines. To help create bright futures through the Advent Challenge, visit WeRespond.ca/advent-challenge.

PWS&D is sharing the hope, peace, joy and love of Christ

From Rev. Joyce,

I am not sure how many of you are aware or have remembered that we have a book of Remembrance in the sanctuary in which are written the names of soldiers who died in action from this congregation during World Wars I and II, but I would like to share a story about it that happened in August of this year. I was asked to preside over the funeral of Gus Gaunt, and they wanted the funeral in our sanctuary. Though the gentleman had been born and raised in Fort William, and had been a Presbyterian, he moved away after being married and his family was raised elsewhere. The family no longer knew which Presbyterian Church in Thunder Bay had been his home church. It was rather a fluke that they ended up getting in touch with me, and the arrangements were made to have the funeral here. The day of the funeral, as the family prepared a few things, a daughter – the family genealogist – noticed our special book in its case. The name the book was opened to Gus' brother Pre. Douglas Peter Gaunt of the Lake Superior Regiment. Peter had died in action and is buried in France. The whole sense of the service changed. The family felt that they had truly found the family church. People were visibly moved by the revelation and the hand of God was felt by all. On this Remembrance Sunday we remember those of this congregation whose very lives gave us freedom.

STEWARDSHIP MOMENTS

One of the dangers of having a lot of money is that you may be quite satisfied with the kinds of happiness money can give and so fail to realize your need for God. -C.S. Lewis (1898-1963), British novelist, poet, academic, lay theologian, broadcaster, lecturer
