## PRESBYTERIAN SHARING

Pray for the 20 congregations attending the *Stewards By Design* conference in Orillia, Ontario this week (November 9-12). Keynote speaker Dr. Kennon Callahan will inspire participants as they learn how to nurture faithful giving and abundant living, expand and strengthen their mission and ministry and make generous giving an ongoing, joyful experience. Dr. Callahan will work with each team to develop a concrete plan suited for their unique situation. A past conference participant shared, "What a tremendous event! The worship was truly inspiring, the fellowship was joyful and the prayers are uplifting. The conference sessions were a true blessing for us all. We learned much and now we have much to teach." About half of the cost of *Stewards By Design* is funded by gifts to *Presbyterians Sharing* and undesignated bequests.

*Presbyterians Sharing is inspiring generosity*

## From Rev. Joyce,

This Friday will mark the one-year anniversary of my mom's death. It was a Thursday evening when I got the news that I would never again hear my mom's voice or feel her arms around me. I still miss her so much. I am only a few lines into this writing and the tears are already streaming down my face. As I recall that weekend, I remember not being able to sleep that night, and being pretty much in shock all of Friday, but then Saturday was the St. Andrew's Tea and Bazaar. I decided that I wanted to at least make an appearance. So much hard work, time and effort goes into making this event the tradition that it is even if it has been modified over the years. So I got ready thinking, "Well if I last 15 minutes that would be just fine." As it turned out I spent the day! In fact, I ended up locking up.

I received so much love that from those there that day that I just stayed. You were my family and support when I had none other around me. Then on the Sunday I could have stayed home. The Session was in full support of that, but I knew that I needed to be in church. I needed to worship God and to be with others who I trusted would give me love and support. And that is what the church should be about, a place to come to find your way to healing and wholeness. We grieve many things, we rejoice in many things, we journey through life one way or another. I thank God that St. Andrew's is a place of healing. May all our words and actions display that kind of love to all who enters our doors whether for an hour, a day, a week, or a lifetime.

## THANK YOU

A huge THANK YOU to everyone who made our annual Tea & Bazaar a success. Thank you to all the volunteers to put in endless hours baking and making Shepherd's Pies, donating and collecting items for the various tables, doing set up & take down, selling tickets, manning booths, serving tea and goodies, welcoming guests, and helping in any other way including attending the event. A special thank you to our two artists who created special Note Cards & Calendars from their artwork and donating the proceeds to St. Andrew's. This event would have never happened without all of you!
