PRESBYTERIAN SHARING

We have much to teach

Pray for the 20 congregations attending the *Stewards By Design* conference in Orillia, Ontario this week (November 9-12). Keynote speaker Dr. Kennon Callahan will inspire participants as they learn how to nurture faithful giving and abundant living, expand and strengthen their mission and ministry and make generous giving an ongoing, joyful experience. Dr. Callahan will work with each team to develop a concrete plan suited for their unique situation. A past conference participant shared, "What a tremendous event! The worship was truly inspiring, the fellowship was joyful and the prayers are uplifting. The conference sessions were a true blessing for us all. We learned much and now we have much to teach." About half of the cost of *Stewards By Design* is funded by gifts to *Presbyterians Sharing* and undesignated bequests. *Presbyterians Sharing is inspiring generosity*

From Rev. Joyce,

Though I have shared this from the pulpit, I am not sure how many of you are aware of my involvement in two ecumenical prayer gatherings that have happened in the city in the last few months. The first came in July when a prayer walk for the city was held at Marina Park. A second opportunity took place in September at the Spirit Garden, again at Marina Park, in which I was asked to address those gathered to share with them our experience as a downtown church, the challenges and the blessings. That evening, the group of just over 100 people prayed for St. Andrew's and laid hands on me for a blessing upon our ministry, as well as praying for many concerns that our city has. November 2, a group gathered on the banks of the floodway and on water to pray over that area where so many tragedies have happened in the last years and months.

This evening, Sunday November 5, at 6:00 p.m. in the 5th floor Chapel of St. Andrew's, people will once again gather to pray. I was approached to see if we would be willing to host an evening of prayer, particularly because we are situated across from City Hall, the place that holds power in our city. At this time, people who cross denominational lines, in other words, from many churches within our city will gather to pray for our Mayor and Council, the Thunder Bay Police Service and all first responders, for the challenges of the Indigenous homeless and those who struggle with mental illness and addictions, as well as for St. Andrew's and our ministry.

If you are able to come and pray, to be part of a larger Christian community for an evening, I would be most grateful. We need God to be present in all that we experience as individuals, as a congregation, and as a city. We are all part of God's creation and St. Andrew's as Christian community is called to be a part of the healing of our city. May we know God with us.
