## PWS&D MISSION MOMENT

### Caring for creation in Calgary (Nov. 4)

The youth at Grace Presbyterian Church in Calgary are bettering the health of their local community while also supporting the well-being of the global community. Members of the congregation donated to PWS&D in support of the teens' efforts to pick up litter, rake and sweep around the church's property. In the end, the group collected five large bags of garbage and raised \$932 for PWS&D. "We were encouraged by our faith in Christ's love to share our gifts with the world," shares Roberto DeSandoli, young adult ministry coordinator at Grace. Across Canada, Presbyterians are stewards of the blessings of God—sharing our gifts to build a more sustainable, compassionate and just world.

*Faithful to our calling, we respond together*

## From Rev. Joyce...

Not sure how many of you are aware of all that is available on our website at [standrewspres-tbay.ca](http://standrewspres-tbay.ca); but after spending time this week reviewing sermons to post I thought it would be good to remind you of what you can find on the site. Now some of you may be reading this newsletter online already, if so, be sure to explore other pages on the site. For everyone else you can find the newsletter posted each week. If you have missed worship and are wondering what is upcoming you can look for the information on the website. If you are interested in the sermons when you are away, or I happen to actually catch your attention so greatly that you would like to reread a sermon, you can find those on the website as well. Events are posted on the site as is information about our ongoing outreach and mission work and if you like, the history page can be very interesting place to spend some time reading. We have pictures and introductions to staff members and calendar of events just to mention a few brief highlights. The website is consistently updated. If you happen to have ideas for the site or catch something there that we have missed updating, please contact the office. Share the website with friends and family. It is a great way to connect!
