### From Rev. Joyce

A welcome back to our Sunday School teachers who give time, energy, knowledge, and love to the children that join them for church school. We are so grateful for your commitment to the families of this church. You are part of how we are able to fulfill our part of the baptismal vows that are said at the time of baptism. And a big thank you to Brenda Buttars and Mykola Cuthbertson for preparing the classroom so all can receive a warm welcome.

This week I am preaching part 2 of a four-part series on Remembering our Baptism. Today's focus is baptism and community. And here is the next installment of...

The fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness and self-control.  
Galatians 5:22-23.

"Kindness: the ability to treat others with openness, sensitivity, and love - especially those who have specific needs we can meet. This ability is based on the kindness shown to us by God. Kindness deals not with our abilities but our attitudes. We can be extremely gifted in skills; yet our style, tone, and volume of voice can be hurtful. Kindness is the Christ-like way we treat others, and includes attitudes like compassion, mercy, friendliness, and loyalty. We demonstrate kindness through the Spirit's power and because God has demonstrated kindness to us."

### A PCC MISSION MOMENT

#### International Day of Prayer for Peace (September 21)

The International Day of Prayer for Peace is a time to reflect on the importance of upholding peace among people and across nations. A peaceful society is one where justice, equality and security are available to everyone. To achieve this, people everywhere need to have the opportunity for economic and social development. That is why PWS&D is working in some of the most vulnerable and marginalized countries around the world to help families overcome poverty hunger, and oppression by promoting health, education, gender equality, sanitation, protection of the environment and social justice. While peace will enable a compassionate world to take shape, a sustainable environment will also further peace.

*PWS&D promotes sustainable development for peace*
