PRESBYTERIAN SHARING

A miracle of abundance

Like those who witnessed Jesus feeding the five thousand, members of the Northern New Brunswick Regional Ministry have experienced a miracle of abundance. The four separate congregations were each struggling in their own way until they came together to grow as one. Through *Presbyterians Sharing*, these partners in ministry are now sharing their gifts in ways that enhance, inspire, and build their communities. One of the congregations with established gifts in youth ministry recently sent a youth team to another ministry in the region to help them run a Vacation Bible School. What started out as a kind gesture ended up inspiring new leadership and sparking a whole new children's ministry where there was none before. This is just one example of how these congregations, through gifts to *Presbyterians Sharing*, are growing together to share God's love.

HOGARTH RIVERVIEW MANOR

Volunteers are still needed on the 2nd Tues. of the month to help move residents to the St. Andrew's service there. Contact Rev Joyce for details.

From Rev. Joyce,

The 135th General Assembly designated the third Sunday of February as **Heritage Sunday** – as an opportunity to celebrate the history, traditions, and individual and collective faith stories that make us uniquely Presbyterian. St. Andrew's Session has chosen to celebrate Heritage Sunday today, a week early, so that we can enjoy the time of fellowship after worship as the Evening Guild host a coffee hour before we transition into the Annual Meeting.

In the midst of weekly worship and the work within our congregation, the historic contributions of servants and leaders in the Reformed Tradition, as well as stories of faith within our own individual church families are often overlooked or taken for granted. Heritage Sunday gives us the opportunity to celebrate our heritage, embrace the present, knowing that our lived experience of St. Andrew's today will become the heritage celebrated in the future.

Here is one of our own stories:

PCC Fund for Ministerial Assistance

The Fund for Ministerial Assistance provides financial support to ministers and diaconal workers of The Presbyterian Church in Canada who meet the terms of the fund and who are at or near minimum stipend as set by the General Assembly.

History: The fund was established by a gift of one million dollars on February 8, 1951. In 1983, following the death of the donor one week after his 100th birthday, the fund was renamed the Norman M. Paterson Fund for Ministerial Assistance, as an expression of the church's appreciation for the gift. Senator Paterson and his wife, Eleanor, maintained a life-long interest in the ministers of the church and their families and they hoped that their generosity might encourage the beneficence of others.
