CHILDREN IN WORSHIP

Worship at St. Andrew's is intergenerational. Of course, among those generations, there are children. On any given Sunday, there can be sounds of laughter, crying, and fidgeting from children in worship at St. Andrew's and for these children (and their parents!), we give thanks! Whether you bring children with you to worship, or you find yourself sitting near children, we hope you will give this a read.

How do we include children in the congregation's worship?

First of all we do not dumb worship down for the sake of the children. We offer the full feast. But we plan that feast expecting worshippers of all ages to be present.

From Rev. Joyce Note from Larry Hebert

The recent celebration of our 100th anniversary in this building brought back a flood of great memories for me. It reminded me of my recent donation to the Heritage Committee of my first birthday card for my first birthday in 1948. I had obviously been baptised shortly after my birth on June 19, 1947.

It also reminded me of my time in the youth group with people like Bruce Hole, Maureen Gillies, Al Gillies, Kathy Johnson, Al McLean, Sheila Smith, Bill Buie, Kathy Buie, Lea Franchi (now Madge), Betty Johnston, Maureen Macmillan (Hansen), the Campbell boys, the Rudman boys and others I cannot recall. We met after the 7pm Sunday Service and that was the start of my ushering days, as I ushered every Sunday night as Rev. Johnston held a service no matter how many were there. One lady who was always there was Mrs. Aime who lived on the six hundred block of South Norah, who I would wave at everyday if she was on her porch as I walked to FWCI.

The leadership in our church was populated by top local business people, city administrators and Lakehead Board of Education officials. Many have been honoured for their contributions. With the call for information about graduation and my attendance at LU, graduations on may 31 and June 1, I thought what great recognition we have received from Lakehead for people from our church.

These include four honorary doctorates Norman Paterson 1973, William West 1989, Robert Paterson 1996 and John Mason 2013. Several others have been awarded the title of Fellow of the University including John Paterson 1979, Peter Musselman 1988, Annette Augustine 1995, Larry Hebert 2002 and John Augustine 2009.

The history of St. Andrew's and St. Pat's with Lakehead University is significant in that for the first LU grad in 1965, the graduates, professors and administrators met at St. Andrew's, changed into their regalia and marched to St. Pat's for the first LU Graduation.

Thanks to all who volunteer and participate and who have made St. Andrew's such a great contribution to our community. Thanks to our spiritual leaders over my time here: Agnew Johnston, Keith Boyer, Rev. Bert Vancook and Rev. Joyce Yanishewski.

Well done St. Andrew's.

A PCC MISSION MOMENT

Canadians Care!

As we mark Canada Day, let us also celebrate Canada's contributions around the world. International aid plays an important role in addressing poverty, hunger and inequality in vulnerable countries. Support from the Government of Canada for PWS&D's maternal, newborn and child health program in Afghanistan and Malawi maximizes Presbyterian contributions to projects delivering life-saving healthcare to mothers and babies. Let's continue sharing Canadian compassion and generosity throughout the world. Through the I Care campaign, Canadians can sign a postcard addressed to the prime minister, letting him know that they care about and support Canada's role in ending global hunger and poverty.

PWS&D shares God's love beyond our borders
