

# **Music Pups®**

## ***For infants up through 4-year-olds with a parent or caregiver***

Fun filled classes of singing, dancing, movement and instrument play. Parents learn how to enrich their child's music environment, increase music potential and understand music development.

Each class is 45 minutes long for 10 weeks. Families receive a songbook and access to a digital music download with a broad variety of sounds and activities designed to stimulate musical learning. Mixed age classes are developmentally appropriate and allow siblings to enjoy class together.
