From Joyce

He is risen! He is risen indeed!

Unlike the weather which has been unpredictable of late, we count on the knowledge of heart, mind, and spirit, that Jesus Christ is risen and through the power of the Holy Spirit, continues to work in the world and in our lives. When we live in the knowledge of Jesus in our lives and operate with that mindset and understanding, it is life transforming. Those who do not live in this knowledge or trust this experience of the Holy Spirit working in their lives would find it difficult to understand how powerful and life-changing living as a follower of Jesus is for those who believe. The depth of God's love for us, each one of us, is shown in the Easter story. The story is about relationship, about love, about hope, and about God whose love is so much more than we can comprehend or imagine. If all this is something new to you, today may mean the beginning of your understanding of God. If you have been a follower of Christ for a long time, may it mean the continuing of understanding and deepening of the relationship with the one whose death and resurrection has changed the world.

STEWARDSHIP MOMENTS

We are temporary stewards with an obligation to manage the inheritance in such a way that it can be passed along even better and stronger than it was when we received it.

SUPERIOR OF PRESBYTERY VISIT TO ST. ANDREW'S

Rev. Markus Arseneault of Lakeview Presbyterian and Elder Will Newton also of Lakeview will be joining our congregation for worship on **Sunday April 14th** followed by lunch with the congregation.

One of responsibilities of a presbytery is to occasionally visit each congregation within its bounds. Though these visits should normally occur every two years to strengthen the bonds between the presbytery and the congregations, St. Andrew's has not been visited in over ten years. This visit is an opportunity for the Presbytery of Superior to attend to the work it is called to do and for the congregation to be able to express their joys and concerns about the ministry here with the knowledge that it is the responsibility of the presbytery to support the congregation as they are able. Please mark this important date on your calendar and plan to share in the conversation so that our visitors are able to get a clear indication of the health and vitality of the congregation as well as provide insight on ways that we may be able to grow in our ministry and worship.
