Responding!

Restoring!

Rejoicing!

Thank you to Rev. Kerry McLaughlin for leading us in worship this morning. And thanks once again to our guest organist, Sandy Parisi for providing the music for both this and last week's services.

MISSION MOMENT

**Presbyterian
World Service
& Development**

Abena Asabiliga, a 46-year-old woman from Sumaduri in the Garu District of

Northern Ghana, became physically impaired in infancy due to polio. Because of stigma, discrimination, and her family's poverty, she lived an isolated and difficult life. After being identified in a community survey by community-based rehabilitation staff working for the Presbyterian Church of Ghana, her family and community received sensitization on disability rights, which helped reduce negative attitudes. With support from Presbyterian World Service & Development, Abena received a tricycle for mobility, business skills training, and start-up capital. She now sells snacks near a school and earns a living. She said, "My life has changed, and I can now move independently with the use of the tricycle that was provided to me. I am so grateful."

Mission Moments are short highlights of the mission and ministry in Canada and around the world supported by Presbyterians Sharing, and Presbyterian World Service & Development.
